#### Instructions for the template:

(1) The figure includes institutions branches of the EEA as well as non-EEA institutions. Any number of places of business set up in the respective country by an institution with headquarters in another country, is counted as one institution.

(2) NCAs of the Eurozone aggregate statistical data for LSI while the ECB SSM publish data for SI only.

(3) Any number of places of business set up in the same country by a credit institution with headquarters in another country should be counted as a single branch

(4) Any subsidiary of a subsidiary undertaking shall be regarded as a subsidiary of the parent undertaking which is at the head of those undertakings
